CD-7220 CUSTOMER DISPLAY

CUSTOMER DISPLAYS THAT OUTSHINE THE REST

Today's customers want information at every stage of the shopping journey, and standing at the POS terminal watching as the cashier totals their purchases is no exception. Partner Tech's CD-7220 series of POS customer displays present information in a bright, easily readable format.

These vacuum fluorescent displays feature a pleasing, blue-green color makes prices or messaging visible, even in highly lit areas. And in stylish black or cool white, they complement any point of sale design, as well as your style and brand.
