

PM-156

15.6" TOUCH SCREEN MONITOR

The PM-156 touch screen monitor combines sleek, elegant design with easy-to-use touch screen technology, making it an ideal POS monitor or customer-facing display in combination with e.g. the Audrey or Ethan touch screen POS terminals.

The full HD 15.6-inch display provides best-in-class performance and is easy to integrate with any modern-looking POS station. It is especially popular in theaters, casinos and other POS applications that require a larger customer-facing display for customer interaction.

The monitor comes with a stand, but can also be attached to pole or wall, using a standard VESA mount.

Applications

- Point of sale
- Customer facing display

SPECIAL FEATURES

- 15.6-inch screen
- PCAP (Projected Capacitive) - 10-touch
- Bezel-free
- 1920 x 1080 pixels resolution
- 3-year warranty
