

## PS-103 Cosmo Printer Stand

The style and functionality you need

### PS-103 Cosmo Printer Stand

The PS-103 is the space-saving, attractive printer stand you need to perfectly compliment any Partner Tech all in one POS terminal. The slim black and silver design makes an elegant statement, while the solid aluminum construction provides secured receipt printer integration and clean cable management to keep your counter top looking immaculate. The innovative form of the PS-103 comes with superior flexibility, enabling a variety of mounting options to suit your aesthetic. Maximize counter space with the PS-103 mounting solutions, as well as USB hub integration, for a sleek POS terminal.

#### AWESOME FEATURE

- Aluminum body with 75x75 VESA mount
