SUNMI T2s Desktop POS `New`

Pursuit of excellence, performance breakthrough.

Performance breakthroughs on your fingertips.

High performance octa-core processor, up to 2.2Ghz. Equipped with large-capacity memory of 3GB RAM+32GB ROM, T2s allows you to experience unparalleled operation smoothness.

Unique printing technology, improved printing efficiency.

T2s adopts an 80mm thermal printer with a print speed up to 250mm/s, which has employed SUNMI's unique printing technology to smooth your printing.

Anti-interference touch screen.

To realize your demand on worry-free dual-display interaction, we employ an industrial-grade touch chip which is more resistant to EMI. You can feel free to use T2s even near high-power devices.

Better visual experience

The 15.6" 1920×1080 main display has a multitouch screen, and 2 secondary display options (15.6", 10.1") are open for your choice.

Optional Accessories

NFC&MSR Card Reader
For NFC card reading and magnetic stripe card reading.

Partner Tech Middle East FZCO is Distributing Sunmi Technology
